Owner Portal — Step-by-Step Manual

English · For property owners

This manual explains how to use the Owner Portal to view your properties, complete your profile, sign agreements, and download reports. Follow the steps in order. Where you see \[SCREENSHOT: …], insert a screenshot of that screen for your own documentation or training.

What you need before you start

- An invitation from your operator (management company) linking your email to one or more properties.
- Your login to the platform (Wix or Portal, as provided by the operator).
- A browser (Chrome, Safari, or Edge recommended).

Overview: What the Owner Portal does

Area	What you can do
My Property	See your properties and units; view tenancies (who is renting, period, rent).
Profile	Update your name, phone, address, bank details, NRIC (ID); upload NRIC front/back.
My Agreement	View and sign agreements (owner–operator, owner–tenant); complete e-signature.
My Report	Select a property and period; view Owner Report; download PDF.

Cost / Support	View cost reports; download Cost PDF; contact support.

Important: Complete your Profile first. Until your profile is complete, the portal may only allow you to open the Profile section.

Part 1 — Log in and open the Owner Portal

Step 1.1 — Open the login page

What you do: Go to the URL your operator gave you (e.g. your building's website or portal link) and open the Owner or Owner Portal page.

What you see: A login screen (email + password, or "Log in with Google", etc., depending on how your operator set it up).

COLIVING
MANAGEMENT

Select Your Portal

Choose a portal to explore (demo – no backend).

Tenant Portal
Manage your room, payments, and access.

Owner Portal
Track property performance and payouts.

Operator Portal
Manage properties, tenants, and staff.

SaaS Admin
Manage clients, credits, and pricing plans.

Back to Home

Dashboard: sidebar with My Properties, Profile, Agreement, Report, Cost, Approvals, Contact Support.

Part 2 — Complete your Profile (do this first)

Step 2.1 — Open Profile

What you do: Click the Profile (or My Profile) button or tab.

What you see: The Profile section opens. You see fields for: name, phone, address, bank details (e.g. bank name, account number), and sometimes NRIC (ID) and upload areas for NRIC front/back.

Update Profile

Profile: name, phone, address, bank, NRIC, Save.

Step 2.2 — Fill in your details

What you do:

• Enter or correct your full name, phone number, and address.

• Select your bank from the dropdown (if shown) and enter your bank account number.

• If NRIC (ID) is required, enter the number and upload front and back photos of your ID using the upload buttons.

What you see: Fields update as you type. After uploading, you may see a preview or a “Uploaded” message next to NRIC.

Tip: NRIC uploads are stored securely. Use clear, readable photos without glare.

(Same page: bank dropdown and NRIC upload are on the Profile page.)

Step 2.3 — Save your profile

What you do: Click Save or Update (or equivalent) at the bottom of the Profile form.

What you see: A short loading, then a success message (e.g. “Profile updated”). Other menu items (My Property, My Agreement, My Report) may become available after the profile is complete.

(After Save you may see a success message; other menu items stay in the sidebar.)

Part 3 — View your properties and tenancies

Step 3.1 — Open My Property

What you do: Click My Property (or Property) in the main menu.

What you see: The Property section opens. You may see:

• A dropdown to select a property (if you have more than one).

• A dropdown to select operator (if you have multiple management companies).

• A list of tenancies: unit/room, tenant name, period (start–end), rent amount.

[Image: owner.properties.png not found]

My Properties: property list and tenancy list (room, tenant, period, rent).

Step 3.2 — Change property (if you have several)

What you do: If you have more than one property, choose the property from the Property dropdown.

What you see: The tenancy list updates to show only units and tenants for the selected property.

Part 4 — Sign agreements (My Agreement)

Step 4.1 — Open My Agreement

What you do: Click My Agreement (or Agreement) in the main menu.

What you see: A list of agreements that need your action or that you can view. Each row may show: agreement title, property, status (e.g. Pending / Ready to sign / Signed), and a View or Sign button.

[Image: owner.agreement.png not found]

Agreement: list (View/Sign) or document with signature area.

Step 4.2 — Open an agreement to sign

What you do: Click View or Sign on the agreement you want to complete.

What you see: The agreement content opens (often as a document or HTML view). You see the full text of the agreement (owner–operator or owner–tenant). At the bottom there is usually a signature area and a Sign or

Agree button.

(Open an agreement to see the document and Sign/Agree.)

Step 4.3 — Sign the agreement

What you do:

• Enter your signature (type your name or draw in the signature box, depending on the page).

• Click Sign or Agree (or Submit).

What you see: A short loading. Then a confirmation (e.g. “Agreement signed”) and the status of the agreement may change to “Signed” or “Completed”. You can return to the agreement list.

(After signing: confirmation and status “Signed”.)

Part 5 — View and download reports (My Report)

Step 5.1 — Open My Report

What you do: Click My Report (or Report) in the main menu.

What you see: A Report submenu or section. You may see:

• A property dropdown to choose which property’s report to view.

• A period or date range selector.

• A table or summary: rental income, expenses, management fee, net payout, etc.

• A button such as Export PDF or Download PDF.

Owner Report

View your rental income and payout reports.

Property: Meridin Bayvue B2-1

Start Date: 31/12/2025

End Date: 13/03/2026

Export PDF

Total Rental	Utility	Gross Collection	Expenses	Net Payout
RM 2,700	RM 1,162.56	RM 2,860	RM 1,162.56	RM 2,700

Monthly Breakdown

Period	Rental	Utility	Gross	Expenses	Net Payout	Report
December 2025	RM 2,700	RM 1,162.56	RM 2,860	RM 1,162.56	RM 2,700	

Owner Report: property, period, table, Export PDF.

Step 5.2 — Select property and period

What you do:

• Select the property from the dropdown.

• Select or enter the period (e.g. month/year or date range) for the report.

What you see: The table updates to show the figures for that property and period (e.g. Gross Income, Expenses, Management Fee, Net Payout).

Step 5.3 — Download the Owner Report PDF

What you do: Click Export PDF or Download PDF (or similar).

What you see: The browser starts downloading a PDF file. The file is the Owner Report for the selected property and period (same data as on screen, in PDF form).

Tip: If the button is disabled, check that you have selected both property and period and that data exists for that period.

(Export PDF is on the same Report page.)

Part 6 — Cost report and support

Step 6.1 — Open Cost report (if available)

What you do: Click Cost or Cost Report (or find it under the Report submenu).

What you see: A cost report section: list or table of costs for your property/properties, and often a Download Cost PDF or Export Cost PDF button.

Cost Report: cost list and Download PDF.

Step 6.2 — Download Cost PDF

What you do: Click Export PDF or Download Cost PDF.

What you see: A PDF file downloads with the cost report for the selected scope (property/period).

Step 6.3 — Support

What you do: Click Support (or Contact) if you need help.

What you see: Contact details, a contact form, or a link to the operator’s support (depending on how the operator configured the portal).

(Contact Support is in the sidebar on every page.)

Quick reference — Owner Portal

1. Log in — Owner / Portal login page
2. Complete Profile (name, phone, bank, NRIC) — Profile section
3. View properties and tenancies — My Property
4. Sign agreements — My Agreement !’ View/Sign !’ Sign
5. View report and download PDF — My Report !’ select property & period !’ Export PDF
6. Cost report PDF / Support — Cost section !’ Export; Support section

Troubleshooting

Problem	What to try
Cannot log in	Check email and password; use “Forgot password” if available; contact operator.
Profile “Save” does nothing	Ensure required fields are filled; check for error messages; try another browser.
NRIC upload fails	Use a clear image (JPG/PNG); size within limit; try again.
No agreements in list	Your operator may not have sent any yet; contact them to create an agreement for your property.
Export PDF disabled	Select both property and period; ensure there is data for that period.
Menu items greyed out	Complete Profile first; refresh the page and log in again.

Manual version: 1.0. For the Coliving SaaS Property Management platform. Replace each [SCREENSHOT: …] with a real screenshot of your Owner Portal for training or handover.
